

International Application filed under PCT listed the Inventor as "Barbara Reil".

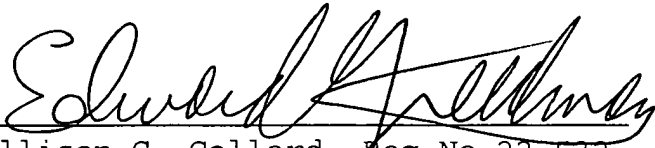

This Communication has stated that the Applicant must provide a Declaration executed with the name that appears on the International Application, namely "Barbara Reil". Thus the applicant is enclosing herewith a new substitute Declaration executed by "Barbara Reil", as well as being executed by all of the other inventors.

Also enclosed herewith is a Petition for a One Month Extension of Time to extend the due date for reply from JUNE 18, 2002, for one month, or until JULY 18, 2002.

Respectfully submitted,

RÜDINGER ET AL - 5 PCT
